GRINDING & KNIFE SHARPENING SERVICES

Converter Services along with our affiliate Kutbest Grinding & Mfg., Inc. offers precision knife grinding services for a wide variety of blades. We provide the proper edge and angle you require. Let us show you our quality workmanship.

We sharpen these and other types:

- o Core Cutters - Appleton, Dusenbery, and Core Tech
- o Score Slitters - Mark Andy, Webtron, and Roto-Metric
- o Top and Bottom Slitters - Arpeco, Dusenbery, Cameron, and Tidland

We are a cut above the rest.
